

# UNLEASHING YOUR LEADERSHIP ENERGY

Leadership Energy is what drives all leaders. It is the common currency of leadership.

Have you ever looked at people who seem to have boundless energy in awe? People who bring others with them to a better future? What about those who face great adversities in their lives, yet fought through obstacles and challenges with unimaginable force and productive spirit?

'Where does such energy come from?' and 'how can I get that?' This is a groundbreaking course that integrates the art of leadership and the science of energy to make the most and sustain your success!

## At the end of the workshop, participants will

1. Understand how leadership energy flows
2. Learn to build and ignite their leadership potential
3. Be able to leverage energy catalyst and to build resonance for success
4. Recognize the need to control and channel their energy towards productive output

## Who should attend?

Aspiring leaders. It does not matter what you do – whether you are a line manager, C-Level executive, entrepreneur, or simply and individual wanting to make a difference. Everyone can learn the journey of unleashing your leadership energy.

## Meet our Faculty

Dr Thun Thamrongnawasawat, author of *Brain-Based Leadership* (Nation Books, 2014), *Brain-Based Leadership: The Models* (2016) and a regular newspaper columnist, is one of Thailand's most experienced leadership coaches, and the first certified instructor of John Kotter's Leading Bold Change programme from Harvard Business School.

In 2015, he was the recipient of the "Global Coaching Leadership Award" from the World HRD Congress and that same year he was named "Consultant of the Year" by the Ministry of Industry Thailand.

Dr Thun began his career at the Boston Consulting Group before holding a series of management positions at global pharmaceutical companies including Merck Ltd and Colgate Palmolive. He joined the Slingshot Group in 2009 as a Principal Partner, where he specialised in neuroscience of leadership, leading change, strengths-based development, strategic thinking and executive coaching. While at Slingshot he worked with over 80 high-profile companies including Nestle Thailand, Biersdorf, GlaxoSmithKline, Bristol-Myer Squibb and BMW.

Dr Thun grew up in Thailand, spent 16 years in three continents with a CBA, MSc, and PhD from the University of Illinois at Urbana-Champaign. He is a certified ICF coach with CFN and ExMSc in Neuroscience of Leadership. His passion is helping leaders harness the brain to create a better future.
